- Liquids
- High Potency

Feel free to propose a topic to combine!

### DURATION

All the Courses have a duration of 4 hours.

## COURSES REQUIREMENTS

#### Who should attend?

Ideal for new starters or if you need a "refresher".

#### What will I learn?

An overview of one of the 8 refresh topics.

#### Can I propose a main topic too?

Feel free to propose a main topic to combine to the refresh ones!

## MAKE EXCELLENCE A HABIT

Here are some of the new training courses that will be launching soon, but **we're also open to suggestions if you're looking for training to a particular standard**, or would like to **combine elements** of one course with another, talk to us and we'll do our best to find a solution!

- you want to train a group of people
- you want the training structured to the needs of your organization
- you want to save money on travel and accommodation
